Dear Parents and Carers,

IMPORTANT ATTACHMENT FOR COMPLETION AND RETURN

You may be aware of recent changes in the General Data Protection Regulation laws (GDPR). This means every business/establishment has had to review the way they store and process your personal data.

As a school, we have taken steps to ensure we are in line with the updated policy and have made changes where necessary. Throughout your child's time at St. Catherine's their data is stored securely, in line with the new GDPR laws and we have also checked with any external systems we use e.g. Education City, SeeSaw, Bug Club, that they are also compliant.

When your child began their school life here, and regularly since, we asked you for various permissions regarding your child appearing in group photos for the press, blogs, websites and the school Facebook page etc. We now need to collect this data once more to ensure we have **explicit** permission for each use of your child's image and name.

Please return the attached form as soon as possible to the school office.

Thank you for your co-operation with this.

Yours faithfully,

Computing and Internet Safety Co-ordinator
