Head of School update

It was a honour for us to be invited to lay a wreath at the Remembrance service in Bovey Tracey last Sunday. This week the children have been spreading kindness around the school and hopefully at home too. Our Antibullying focus this week has involved activities such as random acts of kindness, creating a kindness tree, kindness scavenger hunts and thinking of kind words to say. We have had a few positive cases of Covid at school this week and we are monitoring this very closely. Please be assured we are following guidance and you will be informed if there is a case in your child's class. If you or your child is displaying any symptoms we would recommend you book in for a PCR test as soon as possible. www.gov.uk/get-coronavirus-test

We are aware some of our parents are finding it difficult to receive school communications. Parentpay is the quickest and simplest way we can keep you informed of events happening in school. If you have any problems accessing Parentpay please come and speak to someone in the office who will be happy to help. We also post key events/info on our Facebook page and weekly newsletters. Each week the newsletters are uploaded to our school website too.

Information to sign up to a virtual parents evening on our School Cloud system has been sent out today. Parents evening will be on Wednesday 1st and Thursday 2nd December (Robins - Tues 30th/Wed 1st Dec). You will need to sign up for a 10 minute appointment using the app. Please remember we are here to help so come and speak to our office staff for assistance. Have a great weekend everyone. Thank you for your support.
