

Robin's Class Overview- Spring Term 1

Here is our topic for this half term, please use it to support your child's learning.

As Linguists we will:

- ❖ Have daily phonics and spelling lessons revising and learning our phonemes and spelling rules (Read, Write, Inc).
- ❖ Read individual letters and digraphs by saying the sounds for them.
- ❖ Sequence and discuss events in stories.
- ❖ Use adjectives and descriptive language to describe the characters in our stories.
- ❖ Write simple words and sentences using the new and old sounds that we have learnt.

As Athletes we will:

- ❖ Take part in two outdoor sessions of Physical Education per week.
- ❖ Move in different ways in gymnastics.
- ❖ Learn how to work with others in team games.

The Big Question: What journeys do the characters in our story books go on?

Focus book- 'The snail and the Whale'.

As Geographers and investigators:

- Learn about different countries and locate them on a map.
- Learn and find out about how we use different modes of transport to move to travel to different locations.
- Find out if all of the countries are the same and what is different or the same about them.
- Learn why we may use or need a map.
- Find out about why people may like to travel to different countries and what they might see and do when they get there.
- Talk about places that we have been to.

As Artists and Design Technologists we will:

- Use watercolour to paint scenes.
- Use tissue paper and collage.
- Design and create our own characters.
- Create a map of a wild adventure.
- Create and draw to create reflections of the seasons around us.
- Create our own potions and make a song.

As Mathematicians we will:

- ❖ Identify common 2D and 3D shapes and identify some of their quantities.
- ❖ Identify, order and represent numbers.
- ❖ Problem solve and apply what we have learnt to different challenges.
- ❖ Learn how to measure and solve problems using length and height and weight and volume.

As Citizens we will:

- Understand that if we persevere we can tackle challenges.
- Set a goal to work towards it.
- Use kind words to encourage others.
- Show an awareness as to how working hard now can help us in the future.
- Reflect on how I have met my goals.

As Computer Technicians we will:

- = Learn how to keep safe when using the computer and internet.
- = Learn simple how to use simple programs on the ipad and Chrome books.
- = Learn how to create simple animations (y1).
- = Record and watch clips. (R)
