

Kingfisher Class Summer Term 1 2022

Here is our topic for this half term, please use it to support your child's learning.

As Linguists we will:

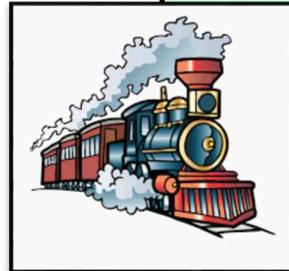

- ❖ Read a variety of fiction, non-fiction and poetry texts
- ❖ Identify unknown words and consider possible definitions using the context
- ❖ Develop our writing to include more varied description such as using prepositions and noun phrases
- ❖ Develop our joined cursive handwriting
- ❖ Learn spelling rules and exceptions to those rules
- ❖ Discuss texts in more detail using evidence

As Mathematicians we will:

- ❖ Practise our times tables facts
- ❖ Use known facts to help us learn new times tables
- ❖ Use inverse calculations to help us understand how operations are related
- ❖ Develop our understanding of written methods for multiplication and division
- ❖ Practise methods for addition and subtraction
- ❖ Use our knowledge of place value to help with more challenging questions

As Computer Technicians we will:

- ❖ Learn how to use Powerpoint
- ❖ Create a page in a presentation
- ❖ Add media, animations and timings to a presentation
- ❖ Create an engaging presentation

The Big Question:

How did Brunel
change the
way we travel?

As Musicians we will:

- ❖ Create a song that represents our school
- ❖ Perform our ideas in a group to others
- ❖ Begin to recognise ways of notating music
- ❖ Listen to and appreciate a range of musical styles

As Historians we will:

- ❖ Learn about the history of Isambard Kingdom Brunel
- ❖ Consider the impact he has had on our local area and further afield
- ❖ Place the industrial revolution and the work of Brunel into chronological order and on a timeline in history

As Scientists we will:

- ❖ recognise that we need light in order to see things and that dark is the absence of light
- ❖ notice that light is reflected from surfaces
- ❖ recognise that light from the sun can be dangerous and that there are ways to protect their eyes
- ❖ recognise that shadows are formed when the light from a light source is blocked by an opaque object
- ❖ find patterns in the way that the size of shadows change

As Athletes we will:

- ❖ Improve our running, jumping and throwing in various Athletic events
- ❖ Participate in a variety of individual and team events
- ❖ Learn water safety and confidence while swimming
- ❖ Develop a range of swimming strokes (front crawl and back stroke)
