

# As Geographers, our big question is... Why do we love to be beside the seaside?

## REMEMBERING Prior Learning

- I know the four countries that make up the United Kingdom
- I can name 7 continents of the world.
- I can name the 5 oceans of the world.
- I can describe the difference between a place in England and a place in Africa.
- I can name the 4 points on a compass.

## UNDERSTANDING Sticky Knowledge

- Can I name and locate the seas surrounding the UK?**  
The Atlantic Ocean, The North Sea, The English Channel, The Irish Sea.
- Can I use aerial photographs, plans and fieldwork techniques to recognise basic human and physical features?** Identify physical features: mountain, lake, island, valley, river, cliff, forest and beach. Human features: city, town, village, factory, farm, house, office, port, harbour and shop.
- Can I devise a simple map; and use and construct basic symbols in a key?**

**Key text:**  
A first book of the sea.

## APPLYING My Aspirations

In KS2 you will learn more information about coastal features as well as how to read Ordnance Survey maps in more detail. If you enjoy map work, understand tidal and weather patterns and can work well with others upholding our values of courage, compassion and perseverance you could consider a career as a coastguard.

### Vocabulary

| Sea   | Geography  | Key                                     | Compass                            | Aerial view   |
|---|--|---|------------------------------------|---|
| Part of an ocean that is partly enclosed by land. | Geography is the study of the shape and features of the Earth's surface, including countries, vegetation, climates and how humans use the world's resources. | A list of symbols that appear on a map. | A device that indicates direction. | A view from above. Also known as a 'bird's-eye' view. |
