

Dear Parents and Carers

Here is our topic for this half term focusing on History. Please use it to aid your own research or bring things into class to support your own learning. Subjects that are not present will be covered under other key questions.

Autumn Term 2022-2023

As Historians we will:

- How Britain changed from the end of the Iron Age to the end of the Roman occupation
- How the Roman occupation of Britain helped to advance British society
- How there was resistance to the Roman occupation and to know about Boudica
- To know that the Romans came to Britain 2000 years ago
- That the Romans conquered Britain but left us with many important features such as roads
- That the Roman army was very powerful and had many weapons
- That Roman gladiators would fight for entertainment

As authors we will:

- Write a recount
- Write a set of instructions

As Mathematicians we will:

- Understand place value in various forms
- Use written addition and subtraction methods
- Use written multiplication and division methods
- Apply our knowledge to problem solving
- Develop our knowledge of the multiplication tables
- Discuss our learning with others using mathematical vocabulary
- Investigate length and perimeter

As Linguists we will:

- Learn about holidays and hobbies in French

As Readers we will:

- Develop our reading and comprehension skills through guided and shared reading
- Discuss our reading with others
- Aim to read at home 4 times per week

The Big Question
Why were the Romans so powerful and what did we learn from them?

As DT Technicians we will:

- Can I to plan, design and make and working model?
- Can I select and use a range of tools for cutting, joining, shaping and finishing accurately?
- Can I select materials based on their functional properties?
- Can I make a roman shield out of clay?

As Athletes we will:

- Take part in a variety of sports that allow us to investigate health and fitness techniques.
