

# As Historians, our big question is...

## Why were the Romans so powerful and what did we learn from them?

**REMEMBERING**  
 **Prior Learning**

- I can explain an event that happened a long time ago.
- I can explain who first lived in Britain.
- I can explain what job Archaeologists do and how they help us find out about history.
- I can explain who the ancient Greeks are and what we learnt from them.
- I can I share what I know about Mediterranean countries ?

**UNDERSTANDING**  
 **Sticky Knowledge**

- Can I explain who Julius Ceasar was and how he helped expand the empire?
- Can I explain who Boudicca was and why she led an uprising against the occupying forces of the Roman Empire?
- Can I explain how Rome was created ?
- Can I explain how the Roman's lived and what they ate?
- Can I describe how the Roman's changed Britian, were there any benefits ?

**APPLYING**  
 **My Aspirations**

An archeologist is a person who studies human history and prehistory through the excavation of sites and the analysis of artefacts and other physical remains.

### Vocabulary

Centurion	Emperor	Aqueduct	Conquer	Invade	Senate
