

As Historians, our big question is... What was the impact of World War 2 on Britain?

REMEMBERING

Prior Learning

I know about events in the past.

I know events have happened internationally

I know about important people in the past

I can understand how evidence can be used to form opinions

UNDERSTANDING

Sticky Knowledge

Can I explain when and why World War 2 started?

Events in Germany and reasons for World War 2

Can I learn significant dates for World War 2?

What dates are significant?

Can I learn about different leaders?

Hitler and Churchill

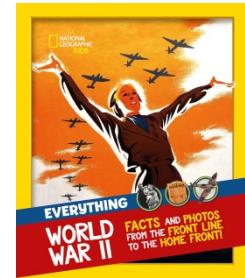

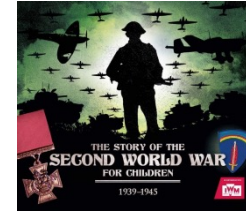

Can I understand who were the Allies and who were the Axis powers?

Allies (Britain, France, USA, Russia) Axis Powers (Germany, Italy, Japan)

Can I understand the impact the war had on ordinary people?

Daily life, rationing, evacuation, Home Front

Key texts

APPLYING

My Aspiration

Do you like investigating past events? You could become an historian and share your findings about important events. You could even try and change people's thoughts about a person or an event. An archaeologists investigates events from the past by looking for evidence that has survived.

Vocabulary

invade	Allied Powers	Axis Powers	Blitz	Spitfire	Air raid shelter	rationing
Occupy land to take over from others	Countries that formed an alliance to help win the war	Military coalition that contributed to WW2 and fought against the allies	German bombing campaign against Britain	Single fighter aircraft used by the Royal Air Force	Protection from enemy attacks from the air	Scheme to ensure fair share with food in shortages
